*Re: Workers' Compensation*

Ohio law requires every employer with one or more employees to obtain workers' compensation coverage. To obtain coverage you must complete the Application for Ohio Workers' Compensation Coverage (U-3). This can be obtained by contacting the Ohio Bureau of Workers' Compensation at 1-800-644-6292 or visiting [bwc.ohio.gov](http://bwc.ohio.gov).

It is your responsibility as an Ohio employer to post the mandatory Workers' Compensation poster.
